Mr. Sam Durbano Westinghouse-HAZTECH, Inc. 549 Cedar Lane Florence, NJ 08518

Dear Mr. Durbano:

Pursuant to our phone conversation of this date, I am enclosing your copy of EPA Delivery Order #0016-02-016 for the Nelson Galvanizing Site. Please note that the delivery order includes a number of items in the statement of work that may not actually be done under this delivery order. This is because the delivery order was written at a time when this removal was considered to be a Fund lead, and it may actually be a PRP lead. Consequently, if this site becomes a PRP lead removal, a revised delivery order will be sent to you indicating the deliverables I will need from Westinghouse-HAZTECH.

I have enclosed a Daily Work Order specifying the deliverable that I asked for on 2/11, and for the immediate future.

Thank you for your cooperation and assistance in this matter.

Sincerely yours,

Paul L. Kahn

On-Scene Coordinator

Response and Prevention Branch
